TAMPA

A VISION TO INSPIRE A DISTRICT

On 20 acres, Midtown Tampa is the **first mixed-use project of its kind** in Tampa and the catalyst for an entirely new district connecting Westshore and Downtown. It will deliver **1.8 million square feet** of retail, residential, office, entertainment and hospitality to the surrounding neighborhood and entire city, focusing on highly evolved pedestrian and public spaces.

RENOWNED LOCATION. RARE OPPORTUNITY.

A city on the rise, Tampa offers warm weather and beautiful beaches as well as a lower-than-average cost of living and crime rate. This has contributed to its recognition as one of the most popular and fastest growing places to live in the country, especially among millennials.

Midtown Tampa is strategically located on the southeast corner of Dale Mabry and I-275, easily accessible from anywhere in Tampa, St. Petersburg and Clearwater. This is not just one of the most well known and heavily traveled intersections in the Tampa market, but also the premier position for strong brand visibility.
